

## EVACO Factsheet

EVACO is a leading provider of user-driven business analytics solutions in D/A/CH. The Duisburg-based company has specialized in the implementation of modern analytical systems and in technologies for Intelligent Search and Artificial Intelligence.

The company's goal is to turn complex data into knowledge – knowledge that provides customers with the basis for making easier, faster and better decisions.

Customers benefit from over nineteen years of expertise in a wide range of industries and exclusive partnerships with selected international vendors.

In addition to its headquarters in Duisburg, EVACO has offices in Frankfurt, Hamburg, Leipzig, Munich and a United States office in Los Angeles California.
